

Mother/Daughter Sailing Week on Ciganka

July 28—August 3, 2012

A large part of our summer sailing charters are with Boy Scout Troops which usually means I am the only "girl" on board. When the Boy Scouts are on board I often think of the Moms and sisters left at home that would really enjoy an adventure like this!

I want to put together a Mother/Daughter sailing trip!!

Our website has a wealth of information about our program, our ship, and us.
Create your own special time together!

*Let's go sailing in the
Bahamas together!*
