

Adults please carry this page with you while traveling to the Bahamas. It has information that you will need.

2. IF your flight is delayed an hour or more please call us on our Skype # 919-647-4247. Or What'sApp # 849-340-2870 It is important for us to keep informed of your travel status. If you get our voice mail, please leave a message and a contact number.
3. When clearing in with Immigration at the airport, there is a place on the form that asks where you will be staying while in the Bahamas. Put "Conch Inn Marina". This is what they want on the form.
4. Please give the bottom page to your taxi driver at the airport and make sure he/she calls us on their VHF radio or cell phone. This is very important.

At the Marsh Harbour airport, please give this
to your taxi driver:

Dear Taxi Driver:

This is our charter group. Please call "Captain Thomas" on VHF channel 74 or call my cell phone 242-827-1389 as you leave the airport.

It is important that you call us because our boat is NOT at the Conch Inn Marina. We are out at anchor in the harbour and have to come and get our group with our dinghy. We need to know you are on the way and meet you.

We would like to have you meet us at what used to be the Fish House and Scaggs Grocery Store.

There should be a total of 3 or 4 taxis for our group. Please make sure all the taxis follow to the same location.

Thank you ~
